

PUBLIC NOTICE

The Administrator of the Nevada Division of Environmental Protection (Division) gives notice, under the Nevada Revised Statutes 444.440 through 444.620, inclusive, and under the Nevada Administrative Code 444.570 through 444.7499, inclusive, that the Division has received an application to modify a Permit to construct and operate a Class I and Class III Landfill from the following applicant:

City of West Wendover (West Wendover Class I & Class III Landfill)

The City of West Wendover has requested a modification to their Permit for a Class I Municipal and Class III Industrial Solid Waste Landfill approximately 5 miles southwest of West Wendover in Elko County, Nevada. The facility provides for the disposal of municipal and industrial waste. The requirement for groundwater monitoring has been waived for this site. The Administrator is constrained to either issue the modified Permit or deny the request in accordance with NAC 444.641. The Administrator is issuing this notice of intent to issue modified Permit SW153REV02 to the applicant.

The applicant or any interested persons may submit written comments on the draft Permit and proposed intent by the Administrator regarding Permit issuance. Written comments must be submitted **no later than 5:00 pm on August 17th 2015** to:

Division contact in regard to this Permit and public notice:

Paul Eckert, P.E.

The Draft Permit, Fact Sheet and Application are available for review at the above address as well as on the Division website http://ndep.nv.gov/bwm/landfill_westwendover.htm. A statement responding to all comments received will be issued. Copies of the statement will be sent to the applicant, person(s) who submitted written comments, and all other persons who specifically request, in writing, a copy of the statement. A copy of the statement will be made available for public viewing at a location to be determined by the Administrator. The Administrator may extend the period for public comment as necessary, or schedule a public hearing, if requested, or due to significant public interest.

Within 30 days after the end of the public review period, the Administrator will either issue or deny the modified Permit to operate the disposal site, or may modify, or place conditions on, the modified Permit issued in accordance with NAC 444.6425.

Additional information may be obtained by contacting Paul Eckert, Nevada Division of Environmental Protection, Bureau of Waste Management, Permitting Branch (see Division contact information above).
